Dear Abe:

Under separate cover we are shipping today one only baseball shirt lettered JERSEY CITY in our #5 fancy block style of lettering. The pleat and collar and sleeve ends are piped with soutache braid.

May I suggest on order given to me yesterday that you have your uniforms lettered NEWARK in this style with navy blue color and navy blue piping, also navy numerals on back and chenille emblem - *on sleeve of shirt* - in navy blue trimmed with gray; and your caps to be navy blue with a gray eagle outlined with navy blue.

On the pants, I would put navy piping down seams. I believe this will make a very attractive looking uniform for your team. Will you kindly return this ball shirt when you are finished with same.

Thanking you for your order and with my kindest personal regards and best wishes, I am

Very truly yours,
